	 Aboriginal title & rights – To include connection to the Forum and interim protocol Infrastructure – previously titled 'public works' and is associated with <u>all</u> of 'Namgis assets and cybersecurity. ToR to be established; consult IT Director. Language and Culture –ToR needed to be established. Forestry and Land Resources – recommend updating name of portfolio Health, Social Services, and Recreation – recommend including recreation in this portfolio as this department reports to Health and recreation meetings have been ad hoc and infrequent. Include representative in health board meetings. Designate appropriate leads with alternate (as needed) for Health Centre, Social Services, Recreation and one alternate for support of core projects (i.e. Treatment Centre, St. Mike's Healing Project; VIHA, FNHA and other as required). Education – recommend increase to 3 councillors and designate lead person to T'lisalagi'lakw, SD85, and Post-Secondary specific dedication per councillor. Governance committee – recommend increasing to 4 councillors, as per ToR updates for quorum and diplomacy. Move project specific designations out of the main portfolio assignment page (i.e. BATI Leadership, Specific Claims) and include only elected councillors in the portfolio assignment list. Additional Portfolios to discuss for further consideration must align with the goals CCP and the capacity of 'Namgis administration and employees. Economic Development TBC Tourism TBC
