

Dear 'N̄amgis Members,

Chief and Council, and 'N̄amgis Administration would like to sincerely apologize for no longer being able to hold the **General Meeting** that was planned for **July 11, 2026**.

We understand that members were expecting this opportunity to hear back from Chief & Council "*What We Heard*" from the February 21-22, 2026 AGM, and engage directly with leadership. We regret the disappointment and inconvenience that this cancellation has caused.

As informed at the past AGM, Administration and Council have been faced with significant changes, both administratively and politically. While we continue to address challenges, we are committed to ensuring that communication with membership is transparent and consistent.

With this in mind, Administration & Council is committed to sharing our responses to your comments and questions from the February AGM in the coming weeks, by mail, email and/or social media.

On a more positive note, Council would like to take this opportunity to invite all members to attend the next **Annual General Meeting for the 2025-2026** reporting period to be held on:

November 7-8, 2026

Again, we apologize for any inconvenience, and thank you for your understanding. We look forward to meeting with you, hearing from you, and continuing our work together for the strength and wellbeing of our Nation.

Gilakas'la,

Chief and Council

'N̄amgis First Nation
